

Page One Before my
Statement:

7/22/19
I had a visitor come to my house approx:
3 weeks after Boomer's death. It
was Jack Hargett, the President of the
Eagles Establishment where Cody ^{Cutting} had
shoot my (son) Boomer. ~~He~~ I invited him
and we sat and talked about Boomer.
Both of us crying! Jack told me that
Boomer was the Eagles so called Bouncer
he was the one they could depend on
when things got out of hand. Boomer
would intervene and settled the problem
or escort them out the door. He told
me the Eagles were trying to get
Boomer's name on their ^{charter} committee as
a true Bouncer recognized by the
Eagles Chapter. I believe if this
would have been disclosed ~~and the~~
~~jury and you Judge knew these things~~
~~that happened at the Eagles that Sunday~~
~~night they would have not made Boomer look~~
~~like~~

At the trial the jury would have come
back with a more compelling verdict.

Now that this has been said I
shall read my final words to the
court & Cody Cutting. I have told
myself I'm strong & no tears this is for Boomer
+ myself

soner's being here today + supporting us. I want to thank my family + I'm hoping what I say doesn't offend the court.

Honorable Judge Myers -

~~And Everyone Else that is here~~

~~And Cody before I begin what if it was your son that was shot how would you feel?~~

~~start today~~

~~I have dreaded for today to come. One~~

because this is it the Final Sentencing for Cody Cutting that shot & murdered my son on April 22nd 2018. A Sunday evening (with a full-moon) A victory day for my granddaughter & her Father (Boomer). He coached her basketball team & they won. Boomer was so proud he sent me pictures & text me throughout the day. He stopped at the Old Mine on his way home because he saw his father's truck there. He went in and shared the victory with his dad (Derek). Derek said he was so happy & proud. That was the last time my husband got to talk with his son. We are a very close family and Boomer's death has taken a toll on each & everyone of us. Now getting back to that Sunday Evening - Boomer knew we all loved chicken & biscuits so he told his dad the Eagles was having a chicken & biscuit dinner on Monday so he was going up to order 11 dinners for take-out. And that's why Boomer was at the Eagles that night. I won't go into detail about what we

more start remembered that in bed Read

On At the Eagles because we All have
re-lived the story many times. One
comment before I go on ^{I know} Cody had time
to get in his truck + leave. Instead
he intentionally got his loaded
revolver + shot Boomer. Cody I
now Ask you why? You know Boomer
had the chance to fight with you in
the bar (where he should of knocked
the shit out of you + it would have
been over) but Boomer did not do this.
Why did you shoot him he had no
weapon AND I know you know Boomer
would have only slapped you beside
your head + put you in your truck. <sup>ARL called
it stupid</sup>
But NO you had to be a hero you
thought at the time. But we All
know it was A cowardly Act!! Now
you are the only one that CAN answer
this question? ^{I need to know} When you shoot Boomer
did he scream in pain? Did he suffer?
You left him on the cold dirt ground
+ never tried to help him. Maybe you
could have saved him. ^{you can} This is All
I think about day + night. Do you
have any thoughts about this when
you try to go to sleep at night? I'm

Take
time to
ask
me to
answer
you!

hoping you see Boomer (my son's) eyes
And his last sounds every night of
your life. I hope he haunts you.
Now you can see how this has changed
the loving, compassionate Lani Sprague.
I have such hate in my heart towards
you. I Ask God to help me, but I
guess he CAN'T or WANTS me to be
this way until you are gone.
I WAS never a believer of CAPITAL Punish-
ment but my mind has changed. I believe
AN EYE FOR AN EYE AND A TOOTH FOR A TOOTH!! We the
TAXPAYERS ARE WASTING ARE HARD EARNED MONEY
on ~~these~~ ^{you or} prisoners that have killed, murdered
someone. It's not fair! I wish it was
years before when you took a life your life
was gone too! I think this would make
the murderers think a lot before shooting
that gun. I'm totally a mother with a
heart broken in a million pieces because
of Cody Cutting's cowardly Act! <sup>And Cody showing
no remorse.</sup>
I'm standing here today pleading with
the Judge to give Cody Cutting the MAXIMUM
Sentence a whole 15 years. Which is nothing
for a human beings life!! I wish that
there was no choice & Cody would get the
Death Penalty. (I would love to see the look
in Cody's eyes.. I bet Red!

I know his family members are thinking how could she say these things or feel this way? Well this is HOW + WHY! You have your family member (Cody) his warm flesh + blood his heart beating keeping him alive - You can talk to him, hug him, kiss him you have it ALL!! ^{Megan be visited by his son} ALL we have of Boomer (I present Boomer's Urn) Is this cold URN with his ashes - We have to hold onto it and talk to it + kiss it!! There's no response no warm touch!! Now tell me this is FAIR!! Maybe this will open your eyes + your hearts? We all cry + struggle to get through each day. As I mentioned I was once this happy go lucky lady that loved life + people - Always smiling + trying to help others Now I'm a tough heart-broken 70yr old mother that must paint a smile on everyday + can't wait until bed time to escape the hurt + pain not having her son (Boomer), NO ONE KNOWS until they witness such a tragedy. Your whole world changes. You don't have the love + compassion you once had. ^{you are hateful,} BECAUSE All you think about is that night + Cody cutting the coward - that shot + killed your son. And I want Cody to know I will never have peace until you leave, and there is NO MORE A this world

Cody Cutting! Cody, you said that Boomer's eyes glowed red the night you killed my defenseless son. Well if you look into my eyes you should see they are red AS my blood boils when I know you will only get A MAX of 15 yrs Our law is so messed up! I have heard of people that get 20 yrs + more for threatening A life! I know God has a plan And I don't think it can be good for you! Not sure what it is but I give him my trust - So I don't think it'll be A happy ending for you Cody We As the Sprague Family are very fortunate to know our Boomer WAS loved by so many - over 2000 came to his wake, A flag was flown over the capital in his memory, ~~25~~ yearly golf tournaments are being held in his honor, Athletic Scholarships are given out in his name, they are planning a Boomer fest in his honor And on & on. I think this must tell you ~~that~~ Judge Meyers Boomer Sprague WAS & will ALWAYS ^{be} ~~be~~ ^{loved} ~~be~~ a hero in all our hearts and it wasn't ^{the person} what Cody Cutting tried to Portray ~~to you Judge & the Jury~~ ~~I want this clear~~ ^{I want this clear} ① My son never caused a lock down at Moriah Central School ② He didn't have to see a mental health person because of the said incident ③ He never

Cody told
the jury
were lies
& I can

A Letter

F word Around older people (which his dad + I are very proud of him for telling Cody to shut-up Around the 2 older women

at the Eagles ^{that the C Sunday evening message} ⑤ The phone the Cuttings kept for (4-5 years) ^{where boom used bad language} And why? Had

Cody been planning to kill Boomer?

This ~~was~~ message ~~was~~ came about After the incident ~~that~~ at the VFW

at a Joe McGuinness concert where Boomer was attending with Annette Cutting (Cody's mother) ~~and~~ Cody

punched ~~in the face at this~~ his mother in the face because she said "Hi" son ^{want to dance?}

Cody threatened Boomer & his girlfriend & his children - Boomer stupidly called

Mary Endres' phone ^(Cody All Grandmother) because he golfed with her & had her phone number) He had

no other way to reach Cody. It was

bad what Boomer said ^{in the message} but honestly I

don't believe this phrased Mary - she ^{was} ~~was~~

A prior bar owner and I'm sure was

called worse. And if it offended her she

would not have attended the ~~3-Club~~ 3-Club

Golf Tournament for Boomer after his death.

If only the jury knew all this! Cody is a liar trying to convince you Judge that he is a good person.

WRONG!! I reached out to people
that knew Cody - I'm being very
truthful about this there were very
few positive remarks about him.
A few that he worked with said he was
(excuse the language Judge) A Frick,
A hot-head, Garbage Mouth, A fire
cracker just waiting to go off. They
all knew he carried a loaded revolver
even on his motorcycle rallies - They
said they expected him to shoot and
kill somebody - someday... way before this!!
I have nothing good to say about
Cody Cutting nor did a lot of other
people.

Well I have said a lot and I'm hoping
and praying (that as a parent you
can only feel ^{my} pain & hatred towards
~~the person~~ ^{Cody Cutting} for NO REAL REASON had to
shoot and kill my son! ~~if he had a choice~~ So Judge

please use my statement and now ~~at~~ the
clear & TRUE FACTS to decide on what Cody
Cutting should be sentenced. And it
should be pretty easy now! For we 100 yrs wouldn't
be long enough.

Thank you all for listening...
And this is also a Birthday Present to
my son Boomer. March 10th he would have
been 45! Love You Boom! ^{RIP son} MOM
